

POPSICLE BRIDGE MAKING

General Rules :-

- Every team must have **4 members** to participate in the event. Any less than that would not be allowed to register.
- Registration will be in both online and offline mode.
- Participants will be provided with 200 popsicle sticks along with glue.
- No use of glue guns, cello tape, fevicol. Any team using the above will be disqualified on the spot.
- Each team will get 15 minutes for designing and 1 hour and 30 minutes to complete their desired bridge. In total 1 hour 45 minutes.
- During 15 minutes of designing, no team will be allowed to start working on assembly of the bridge.
- Participants will be provided with an A4 sheet for designing of the bridge for their convenience.
- Use of phones/internet for designing or reference of designing is strictly prohibited.
- It is advised for the participants to bring their own clamps (if needed).

- Cheating / misbehaving with other participants or coordinators during gameplay may lead to disqualification.

Execution :-

- Your bridge will be subjected to a load from the center to check its strength and stability and with each successful round the load will be increased.
- The maximum load tolerated by the bridge will be noted and accordingly the winner will be declared.
- Decision of events coordinators will be final and binding on all participants.

Precaution :-

- Violation of any of the above-mentioned rules will be ground for immediate disqualification.
